Craigville Telephone Company, Inc.
Restoring Internet Freedom Order ISP Disclosure

Network Management Practices

Blocking: CRAIGVILLE does not block or otherwise prevent end user access to lawful content, applications, service, or non-harmful devices in any way.

Throttling: CRAIGVILLE does not degrade or impair access to lawful Internet traffic on the basis of content, application, service, user, or use of a non-harmful device.

Affiliated Prioritization: CRAIGVILLE does not directly or indirectly favor any traffic, except that VoIP traffic may have a quality of Service priority, and all VoIP traffic is treated equally.

Paid Prioritization: CRAIGVILLE does not receive payment, monetary or otherwise, directly or indirectly, for the delivery of traffic.

Congestion Management: CRAIGVILLE's only congestion management is to purchase additional upstream bandwidth.

Application-Specific Behavior: CRAIGVILLE does not block or rate-control specific protocols or protocol ports in any way.

Device Attachment Rules: CRAIGVILLE has no restrictions based on devices.

Service Description

Fiber Optic and Copper (DSL) based broadband: CRAIGVILLE offers fiber optic and copper (DSL) based broadband for both residential and business customers. Internet service is offered at speeds ranging from 10Mbps to 1Gbps.

Commercial Terms

Price: Customers sign a one year agreement for service. Broadband internet prices range from $31.95 to $149.95 depending on the speed of the service ordered. For additional details go to adamswells.com/services/internet/.

Privacy Policies: CRAIGVILLE does not inspect, store, or sell network traffic or use it for any other purpose

Service Contact Information: CRAIGVILLE maintains a customer service department available by telephone (260-565-3131) or email (support@adamswells.com).
