

## Cloud Storage

**Access anywhere** - Get to files saved in FileHopper anytime, anywhere: mobile device, computer or browser.

**Secure** - Files are always secure and completely backed up in the cloud, even if your computer is damaged, lost or stolen.

**Convenient** - Never lose another memory. Auto-save your photos directly to the cloud.

It only takes one to see the value of FileHopper Plus: one hard drive crash, one fire, one break in, one accidental deletion, or one BigGulp spill and your valuable files are gone. So be prepared for anything. Backup your important documents, photos, music, and emails with FileHopper Plus today.

### ✦ Easy File Backup

Easily backup photos, music, videos, documents, and almost any other file you can think of.

### ✦ Multiple Storage Quota Options

FileHopper Plus offers 5GB, 50GB, and 250GB storage points to meet any storage need.

### ✦ Safe and Secure

Safe 128 bit encryption, the same used by banks, to keep your files secure.

### ✦ Multiple Computer Use

Install FileHopper Plus on any number of Windows PC's, all with the same account.

### ✦ Remote File Access

FileHopper Plus lets you retrieve your backed up files from any Internet connected computer through a secure Web portal.

### ✦ File Sharing

Share your large files with anyone, just by sending an email! You can even add password protection for extra security.

### ✦ FileHopper Online Folder

Utilize one online folder to store, access and edit your files on any computer you have FileHopper Plus installed on.
